Dear Diane, I discovered what a great organizer you are. You put together all the music for the wedding ceremony, dinner, and reception. I am truly amazed. I enjoyed listening to the dance band. They had a nice variety of tunes that would appeal to all. ...Best wishes for continued success in your music business. If I can help you again I would consider it a privilege.

Diane! Thank you so much for coordinating very talented musicians for our American Heart Association event. I sent Joy a thank you, but please let Jerry and "the crew" know how fabulous they were! We raised over \$12,000 and could not have done it without you.
